5. Weekly Off

Saturdays and Sundays are weekly offs for all locations except employees on the Customer Support rotational roster, who follow a 5-day-in-7 rotational schedule with weekly offs communicated by their team lead.

6. Holiday Falling on a Weekend

If a mandatory national or regional holiday falls on a Saturday or Sunday, it is **not** automatically compensated with a weekday off unless explicitly notified by HR as an “observed” date (see Independence Day and Diwali above, which include bridge/observed adjustments for 2026).

7. Office Closure vs. Holiday

Note that a small number of additional “Company Closure” days (e.g., between Christmas and New Year) may be announced separately by HR/Admin and are not counted against Earned or Casual Leave balances. These will be communicated via NovaConnect at least 30 days in advance and are not part of this fixed holiday list.

8. Queries

Location-specific holiday queries or requests to add a regional festival not listed here should be directed to hr-helpdesk@novatechsolutions.com, copying the local Admin/Facilities team.
