Document ID: HR-POL-003 **Version:** 2.3 **Effective Date:** 1 January 2026 **Owner:** Human Resources Department

1. Work Arrangement Categories

Category	Description	Eligibility
Office-Based	Works from a NovaTech office 5 days/week	Default for Customer Support, Facilities, Reception
Hybrid	Works from office minimum 3 days/week (Tue–Thu mandatory)	Default for Engineering, Product, most Corporate roles
Remote-First	Works remotely, visits office quarterly for team events	Requires Department Head + HR approval; typically Senior/Staff+ Engineers, or employees outside commutable distance of an office

2. Core Collaboration Hours

Regardless of work arrangement, all employees must be reachable and online between **11:00 AM and 4:00 PM IST** on working days (“Core Hours”), except during approved leave.

3. Requesting a Change in Work Arrangement

Employees may request to move from Hybrid to Remote-First (or vice versa) via NovaConnect. Requests are reviewed by the reporting manager and HRBP within 10 working days, considering role requirements, team coverage, and performance standing. Employees on a Performance Improvement Plan (PIP) are not eligible for Remote-First arrangements until the PIP concludes.

4. Working From a Different Location Temporarily

Employees may work from a location other than their registered base location for up to **20 working days per calendar year** (“Work from Anywhere” days), subject to manager notification (not approval) at least 3 working days in advance, and provided the location has reasonable internet connectivity and is within India. Working from outside India requires separate approval from HR and Legal due to tax and compliance implications, and is capped at 10 working days per year.

5. Equipment and Reimbursement

Remote-First and Hybrid employees are provided a one-time home office setup allowance of INR 15,000, and a monthly internet/utility reimbursement of INR 1,500 against submitted bills.

6. Non-Compliance

Repeated failure to meet in-office day requirements (for Hybrid employees) or unavailability during Core Hours without prior notice may result in a review of the work arrangement and, if unresolved after a documented conversation with the manager, referral to HR under the Performance Management Policy.
